

JOINT MEDIA STATEMENT

To: All media

Date: 23 March 2023

Release: Immediate

Lepelle Northern Water (LNW) and Mopani District Municipality (MDM) have concluded fruitful discussions regarding the payment of debts owed to the water entity and subsequently reached an agreement regarding the payment of the outstanding amount.

It was agreed that MDM would make an immediate percentage payment towards the overall current and historical debts owed to LNW. In return LNW has uplifted the most recent restrictions pertaining to water supply with immediate effect, resulting in supply at full capacity in terms of the Service Level Agreement in existence.

Going forward the financial and technical teams on the part of both institutions will continuously engage on the execution of arrangements to avoid disruption of services in the interest of consumers in Mopani District.
